## Note

The total duration of the boat tour is 60 minutes long, allowing you to enjoy each light art installation at the right pace. Expect an approximate 30 minute wait between each scheduled boat ride where you have the choice to experience several F&B options or simply enjoy the serene view until your turn arrives.

Alternatively, there are other boat operators available to tour the mangroves onsite, should you decide to avoid the queue.

Please visit the ticketing station for more details.
